Burke's Lookout Reserve

Location:

415 Basin- Olinda Road, OLINDA VIC 3788 - Property No S00662

Heritage Inventory (HI) Number:

Listing Authority: HI

Description:

Burke's Lookout Reserve is located at the end of Eyre Road, off Ridge Road. It is a small reserve, with no clear lookout point. There are views available to the west over the city from a corner of the reserve, but these views are partly screened by trees. The location of two large TV towers on the northern side of the reserve is intrusive, and the best view appears to be from quite close to the cyclone wire fence that surrounds these structures.

Visitors can get to the Reserve on foot via the Kyeema Track (which links to the network of tracks through this part of the Dandenong Ranges National Park) or by car, parking at a small car park next to the Reserve.

The reserve is enclosed within an area retaining stringybark and box forest, much like that at One Tree Hill.
