WARRANTYTE UNITING CHURCH

Location:

Cnr. Taroona Avenue and West End Road WARRANTYTE, Manningham City

Heritage Status / Level of Significance:

Included in Heritage Overlay

Heritage Overlay Number: HO159

Listing Authority: Manningham City

Statement of Significance:

Of State significance. A very sensitively designed and detailed small church in a bushland setting. Designed by John Hipwell and Albert Ross in 1963. The spire is particularly fine and the work recalls Wren's London City churches in quite a different context. The addition does detract from the significance .
